

Changes to Spot Purchase Advocacy: What's happening next?

Spot Purchase Advocacy is advocacy work paid for on a case-by-case basis, rather than provided as part of our main advocacy contract.

This is for local authorities outside of Leeds who are responsible for someone living in the Leeds area.

Due to high demand for statutory advocacy, we cannot accept Spot Purchase requests. Statutory advocacy is **Care Act Advocacy, Health Complaints Advocacy, Independent Mental Capacity Advocacy and Independent Mental Health Advocacy.**

We are working on making more people available from our Community Advocacy team to work for our Statutory Advocacy services.

More information on this will be available soon. We apologise for any inconvenience caused.
